
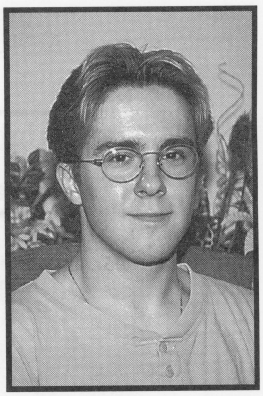
"International Business has given me a chance to view all the possible careers that I might pursue. I met many people who do the kinds of things that I might want to do. Some of the things that I saw gave me a greater view of the business world. I did not realize how many choices I had."
Hedy Salgado - Senior/West Leyden



"Business Portfolio helped me to learn more about how our economy works. I was able to look at current economic and political issues with more detail. This course also allowed me to learn how to operate a business through Junior Achievement. We studied marketing, supply and demand, and profit. This class was really fun and different from my other classes."
Jason Szlaga - Senior/West Leyden
